## THE HERRINGBONE COLLECTION

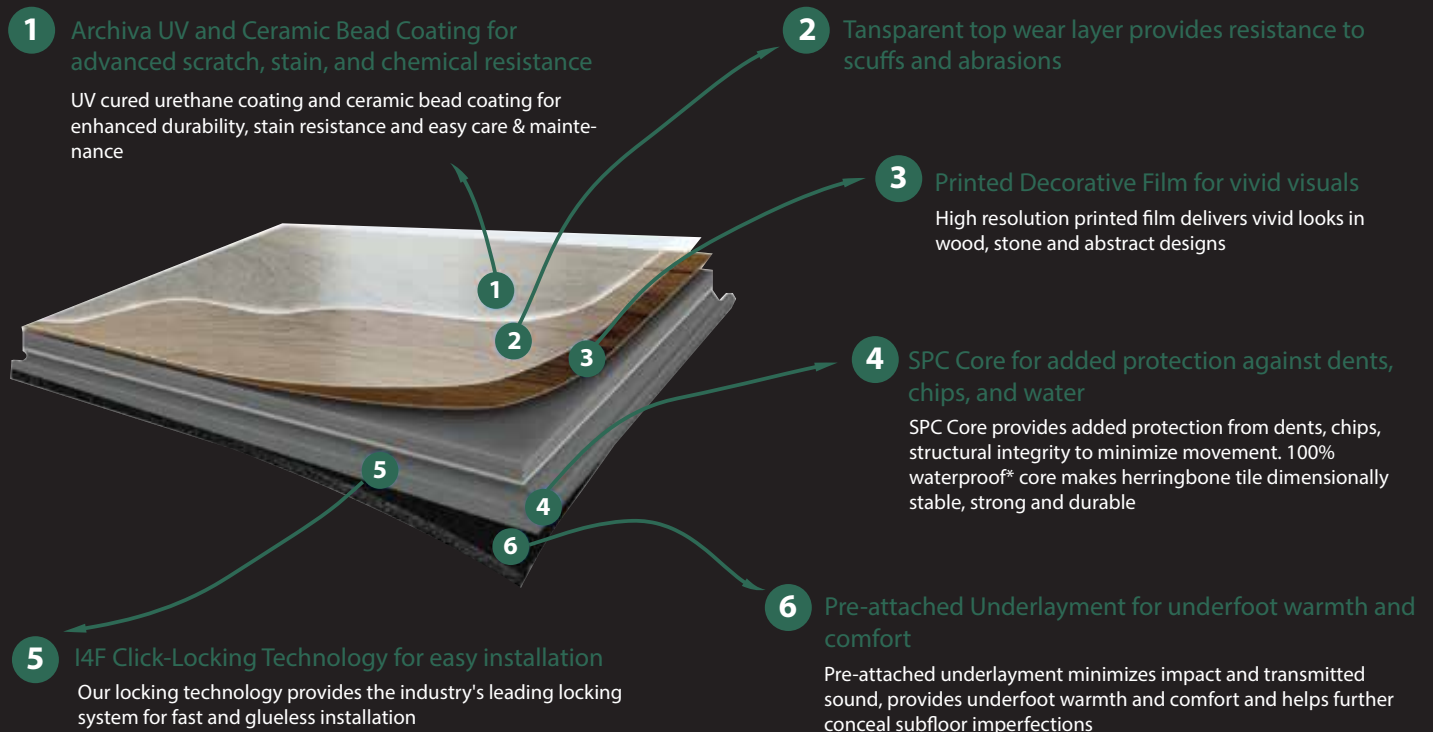

Unique and remarkable, THE HOUSE OF JOSHUA®'s Herringbone LVT Collection offers state of the art click system technology and inspiring visuals that redefine luxury vinyl tile flooring.

### FEATURES & BENEFITS :

- Realistic wood and stone looks create a vivid effect
- Locking technology makes for easy, fast, and glueless installation with I4F 3L TripleLock System
- Pre-attached Underlayment provides a warm and comfortable underfoot
- GreenGuard® Gold Certified for Office and School Rooms\*
- FloorScore® Certified
- Waterproof \*\*
- Anti-microbial
- Anti-fungus
- Urethane with Ceramic Bead Coating adds protection against scuffs and abrasions and makes for easy care and maintenance
- SPC Core makes for good anti-telegraphing performance over imperfect subfloor

### PRODUCT CONSTRUCTION :

Each plank is carefully engineered with multiple layers for advanced performance, reinforced durability, added protection, enhanced comfort, and easy maintenance.

## I4F CLICK SYSTEM :

The Herringbone Collection uses I4F's patented 3L TripleLock System<sup>\*\*\*</sup>, a one-piece drop-lock installation innovation, making it the easiest and fastest flooring installation system on the market. The precision-manufactured system eliminates the need for additional inserts, glue, and special tools. This delivers tight seams without the inconvenience of any moving parts, all while providing installers with the possibility to improve productivity, lower costs, and reduce the carbon footprint.
